2009 Indoor Vendor Information

Thank you for your interest in being a vendor at the 2009 Somerset County Hamfest. **The 2009 Hamfest will be held on Sunday, July 19, 2009, at the Somerset County Technology Center, 281 Technology Drive, Somerset, PA 15501.** This is the same facility we used last year.

Prices for indoor vendor tables remain at \$10 per table. Tables will be provided. A limited number of wall tables and electric power drops are available. If you specifically desire wall tables or tables with power, please let us know your needs and we will be in contact with you about availability.

Indoor tables will be assigned in the order in which they are received. Preference will be given to repeat vendors. In order to assure that requests for space are honored, applications must be received no later than June 30, 2009. Applications for indoor tables will be accepted until the day of the show, but space and location are not guaranteed. These late applications, as well as any applications received without a SASE, will not receive a receipt in the mail, but rather at the show itself. To be considered, all applications must be received with the appropriate fee for tables and tickets. Everyone age 12 and older must have an admission ticket. As always, we are not able to accommodate everyone's special requests, but we will attempt to work with you to address your needs. Please note any special requests on the registration form and submit it as soon as possible so that we have adequate time to address your issues. If you wish to be located adjacent to another vendor, we recommend submitting the requests at the same time noting your desire. Separate forms and checks can be used for this purpose. Any tables not reserved by the day of the show will be offered for sale that day on a first-come first served basis.

Setup:

Building access for setup is available Saturday afternoon. Please contact us to make arrangements. The Building will open at approximately 5 am the day of the show. Some manpower will be available to help with vendor setup. We also have access to pallet jacks and other moving equipment on a limited basis. If you require setup assistance, please contact us to make arrangements. We do, however, recommend that you bring your own carts if possible to expedite the process. Inside vendor setup will take place through the main doors in the front of the school. The doors open to the public at 8 a.m.

Tear Down:

In order to provide a safe environment for all attendees, vendor move out will not begin until the show has closed to the public at 1:00p.m. Prior to that time, vendors may use the public exits, and disassemble their booths, but the use of carts will be prohibited after 1:00 p.m. Sunday. As with setup, some manpower will be available to help with vendor tear down.

Rules:

Please remember that this is a family event held on school property, and we therefore forbid the display of, advertisement of, or sale of pornographic / adult goods and/or guns and ammo at our event. **NO EXCEPTIONS!** We reserve the right to, at the discretion of any hamfest committee member, immediately terminate this contract, without refund of table fees or entrance fees, with any persons or vendor(s) failing to comply with this requirement, with or without cause. Failure to comply may also result in vendors and / or individuals being barred from attending future SCARC events.

Enclosed is a reservation form for your use. Please mail the completed registration form to:

**SCARC
Attn: Inside Vendors
P.O. Box 1241
Somerset, PA 15501-1241**

All reservations must be accompanied by a SASE for returning a payment receipt and by your check or money order for the appropriate amount payable to the Somerset County Amateur Radio Club. Table reservations are not considered complete until the check and SASE arrive in the hands of the hamfest committee.

Again, thank you for your interest in this year's show and we look forward to seeing you on July 19.

73's,
The 2009 Hamfest Committee
